FPG Physician Availability

July 2012

FPG Physician Availability Program

FPG Physician Availability Program was designed to provide our physicians and staff with a list of physicians that have availability for the following week.

Features

1. Easy to use site – with drop down menus allowing quick data entry
2. Provides Specialty and/or Practice physician availability allowing your staff and physician the ability “manage” referrals.
3. Provides your staff with a print out of who is available for easy reference.
4. One click on the Physician’s name and easy access to the Physician’s bio profile

Requires

1. Weekly data entry by your staff to assure information is current. Allows viewing for 1 week in the future.
